
Marshall's Mail- February

I am passing along some recent concerns voiced by the parents of PMECC….

Drop off zone: please be sure that you are driving slowly, wait your turn, and NEVER pass other cars in this area. We need to keep the children and all drivers safe.

Cross walk: the sign out front reminds you to slow down and proceed with caution especially during school hours. Remember, we have 2 different start times and multiple dismissal times daily.

Drug free zone: PMECC is a drug free zone which means that you should not be smoking in a parked car around the building.
