

### 2011 Ludington Area School District MEAP Scores

The Michigan Educational Assessment Program test is administered in 3rd through 9th grades. Reading and Math scores are used by the State of Michigan to assess the district's Adequate Yearly Progress toward state objectives. The chart below shows a side-by-side comparison of the 2011 Ludington/State/AYP target scores. Our goal is to have higher scores than the State of Michigan average. Scores in bold exceed the state averages.
